INSPEC International - 2017 InterLaboratory Comparison Schedule - Issue 2017-05-14

PPE	Topic	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Eye/Face	Haze, sunglasses												
Eye/Face	Refractive powers, sphere/asigmatism/prism, EN 167												
Eye/Face	Refractive powers, sphere/asigmatism/prism, ANSI Z87.1												
Eye/Face	Transmittance, UV/VIS/IR, EN 172												
Clothing	Mechanical properties, abrasion/flex cracking/tear/tensile/puncture												
Clothing	High visibility, retroreflective performance, ISO 20471												
Clothing	Permeation, liquid/gas, EN 374-3 / EN 16523												
Clothing	pH of aqueous extract, ISO 3071												
Fall	Energy absorber, dynamic performance, EN 355												
Fall	Energy absorber, dynamic performance, ANSI Z359.13												
Fall	Lanyard, slippage, ANSI Z359.3 (*2017 edition*)												
Fall	Fall arrester, dynamic performance, EN 353-1												
Foot	Shoes, compression resistance, ISO 20344 §5.5												
Foot	Shoes, sole penetration, ISO 20344 §5.8												
Foot	Shoes, water vapour permeability/absorption, ISO 20344 §6.6/6.7												
Hand	Gloves, mechanical properties, abrasion/cut/tear/puncture, EN 388												
Hand	Gloves, permeation breakthrough times, EN 374-3 / EN 16523												
Hand	Electrically insulating gloves, AC proof test, ASTM F496												
Hand	Electrically insulating gloves, AC proof test, IEC 60903												
Head	Shock absorption, EN 397												
Head	Force transmission, ANSI Z89.1												
Head	Industrial helmets, chinstrap retention, ANSI Z89.1												
Hearing	Headband earmuffs, insertion loss, EN 13819-2												
Hearing	Helmet mounted earmuffs, 'Headband' force/cushion pressure, EN 352-3												
Respiratory	Breathing resistance, filtering halfmask, various standards												
Respiratory	Field of vision, full face mask, ISO 16900-11												
Respiratory	Gas filter capacity, ISO 16900-4												
Respiratory	Particle filter penetration/efficiency, ISO 16900-3
